SISTEMA DI GESTIONE QUALITA' CERTIFICATO

PROJECTS AND REFERENCES

CELANT.TEL past and present projects include:

2011

- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to TSS4u for GASCO HABSHAN-5 UTILITIES & OFFSITES Project UAE (CT 10081)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to BPS Saudi/SSEM for SWCC Water Transmission Project KSA (CT 9041).
- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to ADCO for ARS Project UAE (CT 10094)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Actively Cooled Shelter** to SIELTE for Telecom Project Nigeria (CT 11022)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively & Actively Cooled Shelters in Mounting Kit** to VASP Australia for Telecom Project (CT 10082)

2010

- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Cabinet** to Benelli Oil & Gas for Sonatrach Gassi Touil Project Algeria (CT 9102)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Actively Cooled Shelter** to SIELTE for Telecom Project Nigeria (CT 10092)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Actively Cooled Shelter** to ALCATEL-LUCENT for Sonatrach Menzel Project Algeria (CT 10065)
- Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to ISA-Mannai/GCC for ARAMCO Qasim Project KSA (CT 9024bis) ADDITIONAL ORDER.

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Actively Cooled Shelters** to SAIPEM/Snamprogetti for Sonatrach Menzel Project Algeria (CT 10017)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to ADCO for BAB Gas Injector Project UAE (CT 9067)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to Tenesol/CPECC for ADCO Habshan to Furjarah Project UAE (CT 10001)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to SAIPEM/Snamprogetti for Sonatrach Menzel Project Algeria (CT 8083)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to ISA-Mannai/GCC for ARAMCO Qasim Project KSA (CT 9024)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Active and Passive Cooled Shelters and Passive Shelters in Mounting Kit** to NESMA-TRADING K.S.A./SAUDI ARAMCO for K.S.A. - **SHY-1 EXPANSION, Phase II**, project. (CT 9039)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to Tenesol/CPECC for ADCO IPIC Project UAE (CT 9121)

2009

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passively Cooled Shelters** to **BP &T – BP -Oman-** (CT 9115)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Active Cooled Shelters** to **NESMA Trading Co. for ARAMCO Manifa Project** (CT 8073)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passive Cooled Shelters** to **Petrofac International LTD for ADCO EPC for ASAB FFD** project (CT 9048)

- ☑ Engineering, Design, Fabrication, Factory testing, Delivery and on-site installation of **Passive Cooled Shelters** to **BP&T for GALFAR QARN ALAM STEAM PLANT PROJECT-OMAN-** (CT 6059)

- ☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Passive Cooled Shelters** to **International Development Company for ADCO NEB PROJECT SITE** (CT 8077)

☑ Engineering, Design, Fabrication, Factory testing, and Delivery of **Passively Telecom Shelter Fully assembled and in Mounting Kit** to **TWIST-FUJITSU for Moroccan military Project** (CT 9021)

☑ Engineering, Design, Fabrication, Factory testing and Delivery of **Active Cooled Shelters in Mounting Kit** to **ISA-MANNAI (CAT-ARAMCO)** for “**Marafiq Gas Pipeline & Product Water Transmission Line.KRZTG**” (CT 8054)

Engineering, Design, Fabrication, Factory testing, and Delivery of **Passive Shelter** to **TWIST-FUJITSU for Moroccan military Project** (CT 9013)

☑ Engineering, Design, Fabrication, Factory testing, and Delivery of **Passive Shelter** to **Tss4U-GASCO for U.A.E. – ALSA/Gasco Emal project** (CT-8090)

2008

☑ Engineering, Design, Fabrication, Factory testing, and Delivery of 550W Passively Cooled Shelter to TENESOL France for GASCO 6139 Project (CT 7023)

☑ Engineering, Design, Fabrication, Factory testing, and Delivery of Equipment Shelter to TWIST-FUJITSU for Moroccan military Project (CT 6098)

☑ Design, Fabrication, Factory testing, and Delivery of Equipment Shelter to FIMER (Italy), (CT 7064).

☑ Engineering, Design, Fabrication, Factory testing and Delivery of Equipment Shelter to SIEMENS LLC (UAE) for the “Wellhead Control System for Sahil Gas Injectors and Asab Gas Lift well” Project (CT 7070).

☑ Engineering, Design, Fabrication, Factory testing and Delivery of Active Cooled Shelters in Mounting Kit to ISA-MANNAI (Saudi Arabian Saipem) for “MGS Expansion –SRG-2P/L, PCV & Meter Station Upgrade Project for ARAMCO (CT 7078)

☑ Engineering, Design, Fabrication, Factory testing and Delivery of Passive Cooled Shelter to Saudi Arabian SAIPEM for the MGS UBTG-4 / BJBFG-3 PIPELINES PROJECT Project No: 6600019234 (CT 8016).

☑ Engineering, Design, Fabrication, Factory testing and Delivery of Passive Cooled Shelter for BP&T in the frame of PDO Project (CT 8033).

Engineering, Design, Fabrication, Factory testing and Delivery of Active Cooled Shelter in Mounting Kit to ISA MANNAI –KSA– for ARAMCO (CT 8034).

2007

Engineering, Design, Manufacture, Testing and Delivery of Active Cooled Shelters to Saipem (KSA) for S.Aramco for Shaabybah Development Project (CT 7046)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to TSS4 for GASCO 5234 Project – UAE (CT 7017)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to Siemens for ADCO ASAB AGGI Project – UAE (CT 6097)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to TSS4 for GASCO Bu – Hasa Habshan Gas Project – UAE (CT 7013)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for STC - KINGDOM OF SAUDI ARABIA (CT7031)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to LIBYANA MOBILE PHONE Co. for GSM Telecommunication project in Libya (CT6017)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to Descon for ADCO HIPPS Project in UAE (CT7002)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to Siemens for Sonatrach GZ4 Pipeline Project in Algeria. (CT5136)

Engineering, Design, Manufacture, Testing and Delivery of Active Cooled Shelters to CAT (KSA) for S.Aramco BI-10-01106 JGP to JUBAIL Ethane Pipeline Expansion (CT5073)

Engineering, Design, Manufacture, Testing and Delivery of Passive Cooled Shelter to PETROFAC for Harweel Phase II Project – Oman. (CT6008)

Engineering, Design, Manufacture, Testing and Delivery of Passive Cooled Shelter to ITSO for Mobily GSM Project - K. Saudi Arabia. (CT6044)

Engineering, Design, Manufacture, Testing and Delivery of Passive Cooled Shelter NEC-Libyan Telecom Authority Project – Libya. (CT5058)

☑ Engineering, Design, Manufacture, Testing and Delivery of Active Cooled Shelters to CAT/ S.Aramco Passive Cooled Shelters for SGP/JGP C2+NGL Pipeline Capacity Increase Project (CT 6019)

2006

☑ Engineering, Design, Manufacture, Testing and Delivery of Active-Passive Cooled Shelter TENESOL – INEO for GREAT MAN-MADE RIVER PROJECT AL GARDABIYA / ASSDADA SYSTEM -Libya- (CT6022)

☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to AL-HASSAN/PDO Engineering Co. for “Shams 3” project in Sultanate of OMAN. (CT6053)

☑ Engineering, Design, Manufacture, Testing and Delivery of Actively Cooled Shelters to Saipem for Saudi ARAMCO project: EWG-1 Pipeline Conversion to Sales Gas Project (CT6035)

☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to FRAMES Energy Systems Int./NL for ADCO projects: P-12369 BU-HASA and BAB. (CT5081)

☑ Engineering, Design, Manufacture, Testing and Delivery of Hybrid Passively Cooled Shelters to YANDALUX/Germany “SOTELMA PROJECT” in MALI (CT6001)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for STC - KINGDOM OF SAUDI ARABIA (CT6002)

Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to SIEMENS/UAE for “ADCO/BAB SCADA PROJECT” in U.A.E. (CT5043)

☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to NPCC/UAE for “ADCO OGD III UPSTREAM PROJECT” in U.A.E. (CT5106)

☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to AL-HASSAN/PDO Engineering Co. for “Shams Gas Plant & Pipeline Project” in Sultanate of OMAN. (CT5134)

2005

☑ Engineering, Design, Manufacture, Testing and Delivery of Actively Cooled Shelters to AL-OSAIS MCM Co.LTD for the IDAS-Ras Tannurah/ARAMCO project in KSA. (2005/6)

- ☑ Design and supply of Battery Enclosures for Sunwize/ADCO project in Abu-Dhabi-U.A.E.
- ☑ Valve Shelters to Dodsai Pte Ltd for the 32" Export Pipeline-Segment B2-Petrodar Sudan.
- ☑ FRP Shelter in Mounting-kit for GSM Network to S.T.A. in Ivory Coast.
- ☑ FRP Shelter in Mounting-kit for GSM Network to S.T.A. in Niger.

2004

- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to BP SOLAR KSA for Shuweihat Water Transmission Scheme Project in Abu Dhabi UAE
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters to MADAF.TEL SYS.CO. for STC GSM MW site project in Riyadh K.S.A.
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Tank/Exchanger Passively Cooled GSM Shelters for ETISALAT Abu-Dhabi through Oman Solar Systems

2003

- ☑ Engineering, Design, Manufacture, Testing, Delivery of Passively Cooled Shelters for Aramco thru BPS KSA
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for East West to Rabigh Crude Pipeline Aramco through Saudi Arabiam Saipem KSA
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for STC - KINGDOM OF SAUDI ARABIA
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for SONATRACH SCADA Project Algeria
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Active Conditioned MiniShelters for Navais Project through Thales Italy.
- ☑ Integrated Radio Base Station Solution for Roof Top Site for Fit Italy
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Active Conditioned Shelters for the Ministry of Aviation (KSA) through Thales Int.
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for Omantel Rural GSM Project through SSS / Siemens Muscat
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Tank/Exchanger Passively Cooled GSM Shelters for ETISALAT Abu-Dhabi through Oman Solar Systems.

2001/2002

- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for Saudi Aramco Haradh Gas Project, Saudi Arabia BP Solar Saudi/General Dynamics (USA)
- ☑ Engineering, Design, Manufacture, Testing and Delivery of Passively Cooled Shelters for Saudi Aramco HDGP Pipeline Project, Saudi Arabia Technip Germany
- ☑ Supply of Gas Generator Housing for El Khoms – Tripoli Pipeline Project Siemens AG
- ☑ Engineering.Specificationfor.Gas.Generator.Buildings,.ElKhoms.-Tripoli.Pipeline.Siemens.AG

2000

- ☑ Consultancy.Services.for.Telecommunications.Infrastructure.Transfield.Telecommunications Pty Ltd Australia.
- ☑ Natural.Thermo-ventilated.Shelter.Design.Transfield.Telecommunications.Pty.Ltd.– Australia
- ☑ Shelter.Design.Project.for.Papua.New.Guinea.Le.Blanc.-.Siemens-Instalcomm-BP.SolarConsortium in Australia
- ☑ Design and Supply of Battery Enclosures for ADCO Abu Dhabi Kyocera – USA
- ☑ Base Station Site Acquisition Nokia Italia
- ☑ Base Station Site Acquisition and Engineering Siemens Italia
